

# HAPA SHOW COSTUME FITTING DATES AND INFORMATION.

So it is that time of the year and Miss Linda has asked me to help with the organisation of her show costumes.

## COSTUME FITTING DATES:

SUNDAY 13<sup>th</sup> JANUARY 2019. 10AM TO 5PM

This year the system will be the same as last year. All girls need to attend the fitting day (not those in Intro Ballet). Boys will have their costumes sorted out individually later.

On the fitting day please could all girls wear a leotard as a base layer.

When costumes arrive they will be given out in class by the dance teacher so to ensure a quicker delivery to you, giving you more time to sew names in etc.

Full payment will be required in cash only (no cheques) on the fitting days. Prior to the fitting days costume prices will be displayed on the notice board enabling you to work out the cost of your children's costumes. I am unable to put cheques though my business as supplying the costumes is totally separate from business as Synergy Dancewear.

Any questions please speak with your dance teachers, Jo or myself.

I look forward to helping you all with your costumes.

Kind regards

Catherine Dougan
